

## **MEETING WITH CONTESTING CANDIDATES ON 18.12.2018: AND DECISIONS TAKEN**

The meeting was held in the office of the RO at 4.00 p.m in which contesting candidates took part.

Following issues were discussed and decisions taken:-

1. Non receipt of postal ballot papers and pilferage of postal ballot papers was main issue. The RO admitted that approximately six cases of complaint regarding replacement of postal ballot (P.B)with magazine and old newspaper, 24 cases of non receipt of P.B were received. Out of it, one voter later received his ballot paper, 14 B.Ps were received undelivered and remaining 15 cases of loss of B.P at Aligarh and Khurja were received. The members wanted complaint should be lodged with post office for above diversion/loss of ballot papers. It was mentioned by the RO that complaint with post office in connection with 3 cases received earlier were already made and complaint in respect of others will be made.
2. Candidates decided that sealed ballot box containing marked and undelivered ballot papers be opened in presence of contesting candidates on 19.12.2018 at 4.00 p.m. Candidates of NCR and others who want to come and vote, be allowed to collect their P.B, mark them and drop in the ballot box. The voters would be required to bring their IICC I.D card and produce photo copy to claim their B.P. They may be allowed to take their B.P but that should be posted after marking through post office.
3. Undelivered B.P received in respect of voters residing in far off places may be given option to either vote in person following procedure mentioned at (2) above or their B.P to be couriered the same day in presence of some of the candidates. In case a voter does not receive his/her B.P and it is also not received undelivered in the office of the RO, he/she will be provided with tendered vote, if he/she produces a report from the post office of his locality that his B.P has been misplaced or the envelop received by him has been pilfered. Such votes are kept in sealed cover and opened only in a situation if there is a tie between two candidates
4. Voters residing outside India may be allowed to send their B.P through some of their known persons in cases postal stamp provided to the voters are not recognized by the postal authorities of the country where the voter resides. Also, if a voter residing outside India sends B.P by post he/she may claim the reasonable charges to be reimbursed and can be sent to the account of such voter. Alternatively, such voters may request to credit the expenses into their IICC membership account.
5. Some members raised non availability of phone number and email of many members and the RO requested them to contact him and access the data base available with him.

6. Some members raised the issue of non deletion of names of dead members from the list of electoral roll. It was clarified by the responsible members that on a number of occasion drive was carried out to update the information provided by the members.
7. The issue of staff in the office of the RO was also discussed in view of the request made by many members to hire officials from outside. It was clarified that 3 existing staff have already been asked to sit in their original places in the IICC and not in the office of the RO and they will be called as and when they are required for specific job. Members suggested to outsource the staff for a few days.
8. The issue of legal notice sent to the R.O by Mr. Arif Mohd. Khan was also discussed and the members of his panel stated that the issue may be treated as closed. Accordingly, the RO will send his reply to the notice.

Contesting candidates may kindly see the decisions taken and in case of dissent, may inform the RO or raise the query. They may like to be present to witness the opening of the sealed ballot box and separately seal polled ballot papers and taking out undelivered ballot papers for further dispatch/handing over to the respective voters.
