

IICC condemn the brutal killing in Jammu & Kashmir

We, the Member of IICC, BOT & EC members and all office bearer are deeply shocked and anguished by the brutal and barbaric killing of innocent tourists in Pahalgam, Jammu & Kashmir.

This inhuman act has shaken the conscience of the nation. We stand united in grief with the bereaved families and mourn the tragic loss of lives. These innocent souls, who were targeted in an act of cowardice, are martyrs in the truest sense. Their sacrifice will be etched forever in the heart of every Indian.

May the Almighty grant eternal peace to the departed souls. Aameen.

We urge the government to pursue justice with the utmost urgency and determination. No effort should be spared in identifying and bringing the perpetrators to justice. Such heinous acts deserve nothing less than the severest punishment under the law—those who shed innocent blood must face the full weight of justice.
